U Sofa 135 US0200
L 135cm D 80cm H 70cm / L 53" D 31½" H 27½"

The U sofa is an expansion of the original U Turn lounge chair. The soft down seat and clean lines make this the perfect 2 seat sofa for residential or contract applications. A seat undercut provides foot space when entering or exiting the sofa and helps reduce the visual footprint while an internal steel frame and injection molded foam create engineered comfort and a tailored appearance. All fabric covers are attached by Velcro and are removable for easy cleaning or replacement.
